

Asia Pacific Compensation & Benefits Manager

- **Singapore Based - Asia Pacific Responsibility**
- **US Multinational - Hardware Infrastructure Sales & Manufacturing**
- **Support Massive Expansion**

This company has extensive international presence, highly profitable with strong revenues to support aggressive expansion. It is a fortune 1000, Nasdaq 100 and S&P 500 Company.

Leading a growing team in Asia Pacific you will be responsible for a number of significant C&B regional projects, systems and programs that support the organisational growth and solve real business problems. This position will report to the APAC HR Director and indirectly to USA Worldwide C&B Director. The role is based in Singapore with regular travel within the region.

You have at least 10 years compensation and benefits experience which complement your in-depth technical knowledge with strong commercial acumen across both sales and manufacturing environments.

This is a wonderful opportunity to gain international experience in a worldwide growth company. An appropriate salary package will be negotiated. Relocation expenses will be covered for you and your family. If you would like to discuss this career defining opportunity please contact **Michael Green**, Director, quoting Ref. No. 25993.
