

apac human resources operations manager

- **US Multinational – Hardware Infrastructure Sales & Manufacturing**
- **Singapore Based Covering India, ASEAN, Korea and Japan**

This company has extensive international presence, highly profitable with strong revenues to support aggressive expansion. It is a Fortune 1000, Nasdaq 100 and S&P 500 Company.

The primary responsibility is to drive, lead, manage and build the HR team to ensure that this rapidly expanding business has the human capital and organisational excellence to reach its aggressive goals. The position reports to the Asia Pacific Senior HR Director who is taking on a senior strategic leadership role in the region. You will be responsible for 3000 employees across Asia including India, Japan, Korea and ASEAN.

You have 10 years experience in a generalist HR role and possess strong commercial acumen in a sales and manufacturing environment in Asia.

This is a wonderful opportunity to gain further international experience in a world wide growth company in an HR operational role. An appropriate salary package will be negotiated and Relocation expenses will be covered for you and your family. If you would like to discuss this career defining opportunity please contact **Michael Green**, Director, quoting **Ref. No. 26144**.
