- A salary package designed to attract the very best

The Australian Palliative Care Fund (APCF) is committed to enhancing the quality of care near the end of life. The fund provides educational scholarships and research programs for palliative care professionals to support the needs of patients, carers and loved ones.

This newly created role will nurture existing donor relationships and drive new income by harnessing the support of philanthropists, corporates, community groups, trusts and foundations. You will also encourage the small base of dedicated supporters to remember the Fund in their Wills and to make donations to appeals.

You have a track record in 'making the ask' resulting in significant donations or sales. Your confident, mature attitude, intellect and quality presentation will be important attributes to your success in this role.

If you would like to utilise your fundraising or sales skills to benefit this inspiring organisation in an emotionally complex field then please contact Richard Green on 02 8243 0570 or send your resume to ngo_5a@ngorecruitment.com
