

customer retention manager

- **Bring hope to those in need**
- **Donor project management focus**

Major Australian charity, Wesley Mission conducts 450 welfare programs involving almost 3000 staff across NSW. Wesley is renowned for rising to community challenges through integration and innovation - bringing hope to people in great need.

This newly developed role has a strong program management and outcome focus resulting in increased donor acquisition and retention. Advanced analytical, financial and strategic skills with the ability to inspire front-line fundraisers and donors will be key to your success.

Ideally you have experience in a similar role for a leading not for profit or you are from the commercial sector with a proven track record initiating new and innovative strategies to acquire and retain customers.

If you are inspired by the opportunity to raise significant philanthropic support while working within the ethos of this leading Christian Church send your application to ngo_6002@ngorecruitment.com or for further information call Richard Green on 02 8243 0570.
