

Alzheimer's
Australia Vic
Living with dementia

fundraising manager

- Enhance life for people living with dementia and their carers
- Create and drive your own strategy
- Attractive remuneration package

Alzheimer's Australia Vic is the state based peak body committed to the prevention of dementia while valuing and supporting people living with the condition. In Victoria, 60,000 people have dementia, with an alarming 41 new cases each day.

This strategic yet very hands on role will develop and implement strategies responsible for the growth of community and corporate support, focused on database driven donor acquisition, appeals and regular giving. Working closely with the Executive Director you will also secure major gifts, grants and sponsorships.

You have developed fundraising strategy across all disciplines including donor acquisition, conversion and retention via direct mail, web and other database marketing. Your track record in securing major gifts and grants from philanthropists and Trust and Foundations will stand you in good stead.

To play a vital part in the dementia epidemic, contact Ant Clark on 03 9225 5100 to express your interest or forward your resume to cv@ngorecruitment.com quoting job #29581
