

chief executive officer

- **Excellence in vocational training, employment and community support services**
- **\$19m turnover, 190 staff, 23 offices and growing**
- **Bathurst NSW - Head Office location**

Central West Community College (CWCC) has a proud 27 year history of supporting employers and individuals through vocational training, employment and community support services in regional NSW. CWCC has experienced steady growth with turnover, staffing levels and assets more than doubling over the last 6 years. The organisation now has a network of 23 offices, 190 staff and trainers covering the Central & South West, North Coast and Hunter Valley regions of NSW.

Building on a solid foundation, you will be charged with steady organisational growth through strengthening and expanding existing services as well as continually searching for new opportunities. You will be accountable to the Board for strategic planning, leadership and meeting contractual performance and financial targets. Working with your senior management team you will have oversight of operational functions including finance, business development, HR, Communications and Quality & Risk.

You are an experienced CEO or senior manager committed to achieving social outcomes. You possess strong business acumen and sophisticated relationship building skills combined with high-level analysis, planning and advisory ability. You have the capacity to network across business, government and community sectors and are able to demonstrate a career track record where the delivery of services in a competitive environment has been the cornerstone of your success. A knowledge of employment services and adult training would be highly regarded but not essential.

If you are looking for a rare senior, community oriented opportunity in a vibrant regional city, please contact Richard Green or Annie Barker on 02 8243 0570 or email your resume to cv@ngorecruitment.com quoting #30770.
