**PEOPLE LIVING
WITH HIV/AIDS**
NEW SOUTH WALES

- **Sydney Based**
- **Lead this Dynamic and Effective Team**

People Living with HIV/AIDS NSW works to promote a positive image of people affected by HIV/AIDS with the aim of eliminating prejudice, isolation, stigma and discrimination arising from AIDS.

Reporting to the Board you will lead a dynamic team of staff and volunteers to ensure that PLWHA continues to enhance its already excellent reputation amongst people living with HIV/AIDS, Government and other community stakeholders.

You have a track record in management and leadership of community based organisations coupled with an understanding of the political, social and cultural contexts of the Australian HIV epidemic in 2007. You are also experienced in policy and submissions writing, evaluation and research. People with HIV are encouraged to apply.

If you want to play a vital role in improving the lives of people living with HIV/AIDS then please contact Richard Green on 02 8243 0570 or send your resume to ngo_7@ngorecruitment.com
