

workventures

community programs coordinator

- Education, training and employment focus
- Initial 12 month contract
- South Western Sydney

WorkVentures focuses on giving people and communities the capacity to create good lives for themselves through new skills, access to technology and fulfilling employment. It establishes and builds effective partnerships with local residents, government, business and community partners. WorkVentures' mission is to deliver positive and lasting social and economic change for disadvantaged communities.

You will be responsible for the day-to-day management of a Connect Centre. You will develop, implement and evaluate a community leadership program in partnership with local residents and key agencies, to strengthen support for access to education, training and employment and increase participation in volunteer opportunities and pathway programs. You will also provide leadership to staff and volunteers.

You have tertiary qualifications in social science or welfare and experience developing and managing community projects, ideally with socially disadvantaged communities.

If you're passionate about community building and have a current Driver's Licence and vehicle, please email your resume to cv@ngorecruitment.com or call Shiree Thomas on 02 8243 0570 quoting reference 29678.
