

financial performance manager

- Assist with rapid growth & new business initiatives
- Drive performance improvement
- 500 staff – 30 offices Sydney wide

Our client partners with government, business and other not-for-profits to empower disadvantaged people to reach their full potential through the delivery of high quality employment, training and support programs. Having grown from 50 to 500 staff in 5 years, they are strengthening their commercial and social success by building capability to support future growth.

Your role is to improve the formulation of strategic plans and forecasting and reporting on KPIs, using a Balanced Scorecard approach, that increase financial and social outcomes across the organisation. With the CFO you will work across all divisions to assist in maximising performance opportunities.

You have strong financial analysis skills, can cope with a growing, fast paced environment and have implemented financial/performance change programs. You are CA/CPA qualified.

If assisting to enrich lives and benefiting communities appeals to you, please call Michael Green on 02 8243 0570 to discuss or submit your resume to cv@ngorecruitment.com
