

general manager

- **World-class urban renewal initiative**
- **Deliver strategic social benefits**
- **Attractive salary package**

Newleaf Communities manages the unique Bonnyrigg Partnership, a thirty year Public Private Partnership between 5 organisations delivering new homes, parks and facilities for the people of Bonnyrigg in Sydney's South West. Newleaf provides community housing management, community renewal and consultation services to enhance the lives of local residents.

Working with your team in Bonnyrigg, you will provide leadership and strategic direction and will manage the effective integration of project partners and key stakeholders. You will ensure effective communication and consultation through the stages of development, the maintenance of community housing, public areas and tenancy services, as well as driving social change through Community Renewal Programs for residents.

Reporting to the Bonnyrigg Management and Newleaf Community Renewal Boards, you will have worked at a senior level with complex reporting structures in a community, member based or residential urban development organisation. You have successfully managed detailed contracts, secured funding and led professional teams. You are committed to social justice but have the pragmatic ability to balance commercial and social objectives.

If you would like to contribute to this impressive project, please contact Olivia Ryan on 02 8243 0570 or email your resume to cv@ngorecruitment.com quoting #30386.
