

national commercial relations manager

- **Corporate experience welcomed**
- **Significant remuneration package**

The Heart Foundation is Australia's leading charity in the fight against heart, stroke and blood vessel disease. It funds world-class cardiovascular research, supports health professionals, health promotion and education, and assists people with cardiovascular disease. The Foundation's best-practice fundraising program ensures Australians continue to receive the very best heart health information and cutting edge research.

Your focus will be the acquisition of high value corporate supporters and commercial alliances. In addition to the establishment of national commercial opportunities, you will support the states and territories in generating financial and volunteer support from companies and community organisations.

You are ideally an experienced senior business developer with a track record in major gift fundraising or sponsorship in a philanthropic or cultural setting. Alternatively, you have successfully developed commercial partnerships in the private sector. Your maturity and experience will enable you to establish and nurture meaningful relationships resulting in new and significant donations, grants and sponsorships.

If you would like to become part of the team fighting Australia's biggest killer then please call Olivia Ryan on 02 8243 0570 or send your resume to cv@ngorecruitment.com quoting Ref # 29625.
