

supporter care team leader

- **Leading international animal welfare organisation**
- **Best practice data driven fundraising team**
- **Step up into a leadership role**

WSPA works with animal protection groups worldwide to raise the standard of international animal welfare. Their vision is for “a world where animal welfare matters and animal cruelty ends”.

You will be responsible for coordination of the Supporter Care team, ensuring effective and efficient donation processing and enhancing the relationship between supporters and WSPA.

You are process and procedures driven and have a proven track record working in a database team in a best practice customer or donor care environment. Raiser's Edge experience highly regarded.

If you lead by example, have a strong commitment to maintaining data integrity & understand the importance of the database, please contact Annie Barker on 02 8243 0570 or email your resume to cv@ngorecruitment.com quoting ref # 30501.
