- **Looking for a career change?**
- **Sydney Based**
- **Business Development Opportunity**

NGO Recruitment is a specialist recruitment company providing non-government organisations with Board Members, CEO's, fundraising, marketing, program and operational staff.

The role provides quality recruitment solutions to a cross section of NSW NGO's, including existing clients and new clients introduced through your business development efforts.

You have a fundraising, marketing, communications or general management background with a track record in income generation and account management in the NGO sector. You will be working closely with one of our Directors.

If you are looking to utilise your extensive NGO experience for Australia's fastest growing NGO recruitment specialist then please contact Richard Green on (02) 8243 0570 or send your resume to ngo_2a@ngorecruitment.com
